Fiscal Sponsorship is when a non-profit organization offers their legal and tax-exempt status to projects which engage in activities related to the sponsor's mission.

CascadiaNow's mission is to build a bioregional community that fosters a culture rooted in the love of place, cultural competence, and sustainability.

The Full Spectrum's mission is to enhance and sustain LGBTQ diversity, inclusion, and access within the cannabis industry and community.

OUR HISTORY

We came together in the Fall of 2018 in response to the lack of LGBTQ representation within the cannabis industry. We started meeting at Heylo Labs, an extraction lab in Seattle.

At first, we were known as The Queers of Cannabis.

Seattle Pride Parade, 2019

We changed our name to The Full Spectrum to be inclusive of everyone, including allies.

We've made a conscientious effort from the beginning to make an impact on HIV & AIDS services.

Cannabis was legalized in direct response to the AIDS crisis, and we have a responsibility to recognize and pay tribute to that.

We bring the LGBTQ cannabis community together. We love showcasing and supporting queer-owned cannabis businesses. We work to make the cannabis industry comfortable for everyone to thrive. We believe that everyone should have access to cannabis.

In September 2021, we became a fiscally sponsored project of CascadiaNow!

OUR EVENTS

Webinars

We host educational webinars on topics such as "The Queer History of Cannabis Legalization", "The Beginner's Guide To Gender", and "Recruiting & Retaining Diverse Talent". All of our webinars can be found on our YouTube and Weed Tube channels.

Virtual Smoke Seshes

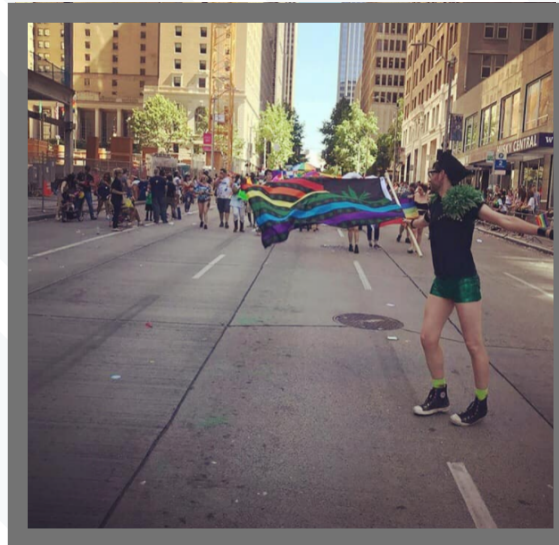

Every second Friday of the month we host a virtual smoke sesh from 4-5pm PST. We love bringing in special guests to highlight different people and topics, and drive educational conversation.

The CannaPRIDE Show

We put on an annual CannaPRIDE Show which features queer performers within the cannabis community.

The Full Spectrum Conference

We are proud to produce the first and only conference dedicated to the LGBTQ cannabis community. This is a fun and educational networking extravaganza, packed with speakers, panels, and webinars.

OUR PROGRAMS

The Full Spectrum Scholarship Fund

The Full Spectrum Scholarship Fund awards educational scholarships to LGBTQ cannabis students who are committed to making a difference in the cannabis industry and community.

We host New Volunteer Orientation quarterly.

Meetings

We meet virtually every Monday to discuss how we will continue to develop into the global powerhouse we were meant to be at 2pm pst.

Event Planning

We produce a wide range of events, and have lots of opportunities for logistical planning.

Pride Events & Trade Shows

These incredibly important moments of visibility within both the LGBTQ community and the cannabis community. These are opportunities to connect and speak with the public, and to distribute educational materials. We need volunteers to march with us in parades, and be ambassadors tabling at events..

Education

We teach a wide variety of topics focused around the LGBTQ cannabis community, depending on needs and interest. Assist us with research, development, and facilitation of educational seminars.

Grant Writing

Foundations everywhere are looking to financially support community organizations which align with their missions. The Full Spectrum needs grant writers to help tap into funds and make the biggest impact we possibly can. The money is already out there.

Program Development

As a new organization, we have a lot to do to bring things to life. Ask a Full Spectrum member about programs currently in development.
